

IMPROMPTU Speaking

Level:

High-Intermediate/Advanced

Objective:

Student will be able to speak spontaneously, coherently, and easily about a topic that they have not prepared or heard in advance.

Timing:

2-3 Minutes

**Prep/
Materials:**

Prepare the question(s) before the class

Breakdown:

At the beginning of your lesson as a warm-up ask your student a random question or ask them to comment on a topic with no preparation for a specific amount of time. They should not stop until you say STOP or when the time runs out.

**Question
Examples:**

In your home country, do people feel that their name is very important? Do you like your name?

What were your favorite classes/courses/ subjects at university?

What do you like (most) about your new hometown?

Summer is the best and worst of times. Why?
