

# 6-Word Memior

Level:

Low-Intermediate — Intermediate

Objectives:

Student will be able to make up a short story without long preparation

Timing

5-15 minutes

Prep/

Materials:

Write names of famous people or characters of books on small pieces of paper and put them in a hat.

Breakdown:

- Write names of famous people or book characters on small pieces of paper and put them in a hat.
- Ask the student to draw one piece of paper and read the name
- The student then has 1 minute to come up with a one sentence memoir that appropriately depicts that person.
- You can turn this into a writing activity and ask the student to write a story based on the first sentence he/she came up with.
- This can be a post-reading activity when you came across numerous characters during reading. Write down the names of the characters from the story your read together and ask the student to come up with a short memoir.
