Prep/

Materials:

2. Review the benefits of word games:

- Increases vocabulary
- It may be an active or passive learning process
- Improves spelling
- Helps train concentration skills
- Enhances cognitive skills
- Improves memory
- Promotes self-improving competition
- It can make you happy
- It is relaxing
- It is a potential social bonding experience

1. Together with the student, discuss the game and the benefits of word games.
 2. Review spelling words or letter groupings (English examples: words that begin with sh, ch)
 3. As each word is played, discuss the word and have them complete a practice exercise, for example:
 - Create a sentence with the word
 - Create a sentence in a specific tense with the word
 - Use a dictionary to discuss alternate definitions of the word
- Alternate: You may select different size words, up to 11-letter words
