L-2 Visa Employment Opportunity Law Changes

The L-2 visa allows the dependent spouse and minor, unmarried children of qualified L-1 visa holders to enter into the U.S.

Changes took place on July 27, 2006 that apply to spouses of L-1 Visa holders in the US on an L2 Visa. Prior to that date, spouses on L-2 Visas were not permitted to obtain a social security card and were denied the right to be employed in the U.S. The law change now permits L-2 Visa holders (spouses only, not dependent children) to work on a full-time basis in the U.S. with proper employment authorization from the US Citizenship and Immigration Services (USCIS).

The L-2 Visa holder must apply for a social security card in addition to applying for an Employment Authorization Document before they can begin employment.

Social Security Numbers

The Social Security Administration (SSA) has issued guidelines, which permit E-1, E-2, and L-2 spouses to obtain Social Security Numbers without having to first obtain employment.

Authorization Documents (EADs) from the CIS. They must show proof that their spouse is in E-1, E-2 or L-1 status, and present an original marriage certificate in the native language. However, before they are authorized to work, they must obtain an EAD. [The new SSA guidelines are online here.](#)

Employment Authorization Document (EAD): L-2 Visa holders can apply for this document utilizing USCIS Form 1-765, Application for Employment Authorization. They must provide the following forms of identification: valid passport, 1-94 Arrival-Departure Document, Marriage Certificate from home country, two identical and color photographs taken within 30 days of application. Currently, the process from application to EAD issue takes 3 to 4 months. The L2 Visa holder may also engage in full-time study in the U.S. A dependent child still may not apply for an EAD card except in cases of severe hardship. Local offices are open Monday thru Friday 9am to 4pm.

****Notice**** Social Security offices are closed on all U.S. Federal holidays.
