- **Practice, practice, practice!** *You can practice anytime, anywhere. Even if you are not reading, writing, or doing homework, you can make a conscious effort to practice.*
 - *Practice saying new words out loud*
 - *Find a Croatian radio station or look for songs on YouTube*
 - *Try watching a movie in Croatian*
 - *Go to public events and experience the culture*

Most importantly, **HAVE FUN!** Learning a new language opens up many new doors for both professional development and new social experiences. Take advantage of all the opportunities that this will bring your way!
