

## IOR News & Announcements

**IOR Global Services is proud to announce that we have been recognized with two prestigious industry awards from our valued relocation management company partners, underscoring our commitment to delivering exceptional service and building strong, collaborative partnerships.**

IOR received the **2025 Destination Services Partner of the Year – The Americas Award from Bristol**. This award recognizes outstanding service delivery and partnership throughout the year. “We are incredibly honored to be named Bristol’s 2025 Destination Services Partner of the Year for the Americas. This recognition speaks to the **strength of our partnership** and **shared commitment to excellence**, and we’re excited to continue building on this collaboration in the year ahead.” said Katie Abbatacola, Manager, Global Client Solutions at IOR, who oversees our Bristol partnership.

IOR was also awarded the **Bronze Award for Excellence at Sirva University**. This recognition is based on quality scores, with recipients achieving an average score between 4.35 and 4.59. This is an impressive benchmark within destination services, where assignee evaluations are often among the most rigorous. “Receiving the Bronze Award for Excellence is incredibly meaningful given the high standards required,” said Andrea Gullickson, Senior Manager, DS Client Solutions at IOR who oversees our Sirva partnership. “This achievement reflects the

**dedication of our Sirva team**, the leadership that sets a **clear vision for success**, and the **strong collaboration across our Sirva account**. We're proud to partner with Sirva and excited about what's ahead."

IOR Global Services continues to set the standard for excellence in global mobility, delivering high-quality destination services and cross-cultural solutions that empower organizations and their employees to thrive worldwide. In 2025, **IOR achieved a best-in-class Net Promoter Score of 89**, reinforcing our commitment to delivering exceptional client and assignee experiences.
